OBJECTIVE

Proactive and people-driven student with proven experience leading cross-functional teams, managing impactful campaigns, and coordinating multiple events simultaneously. Skilled in stakeholder communication, content strategy, team coordination, and driving engagement. Seeking a Product Management internship to leverage leadership experience and strategic thinking to shape product direction and enhance user experiences.

LEADERSHIP & EXTRA-CURRICULAR EXPERIENCE

Social Media Co-Lead, OWASP Student Chapter, VIT Bhopal 2024 – Present
Led social media strategy, content planning, and outreach campaigns for the club, successfully managing promotion across **4+ major events** including hackathons, a freelancing event, and CTFs. Coordinated with event organizing teams to align messaging, timelines, and audience engagement, driving visibility and participation.

Member, Nature & Trekking Club, VIT Bhopal 2023 – 2024
Planned and executed **2 outdoor events** end-to-end, handling logistics, participant coordination, and on-ground execution.

Team Leadership & Coordination
Led and collaborated with cross-functional teams of **30+ members** across club activities, delegating responsibilities, tracking progress, and ensuring timely delivery of event and content goals.

Content & Idea Creation
Drove ideation and content creation for club initiatives, translating concepts into engaging campaigns and materials tailored to different audiences.
